- DNR regulations.

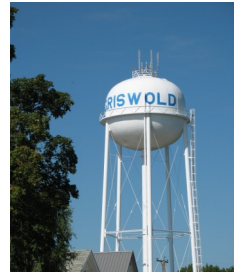

Grass clippings are not to be blown onto the street. Please make an attempt to blow/sweep back into your yard.

# City of Griswold

## July 2015

### Online Bill Pay

The online bill pay system is up and running. There are links to the bill pay site on both the City's web-page (as seen to the right) and the Facebook page through the "Use App" button (seen below and highlighted). If there are any issues while using the site please contact us at City Hall.

## Mill and Overlay Project

Unfortunately, there is not updated time when the contractor will be in town to resurface the streets. The estimated date is still mid- July to August. It should be noted that no parking will be allowed on the streets during construction.

An ad in the paper will notify those home owners adjacent to the streets being resurfaced along with "No Parking" signs will be put in the right-of-way.

## Community Building Improvements

The City received a \$10,000 grant from the Cass County Community Foundation and a \$10,000 grant from the Iowa West Foundation. Since both grants have been received the City will be moving forward on its list of projects for the building.
