### New Mowing Ordinance

The City of Griswold has a new ordinance in affect as of May 20th. No longer will the City send out nuisance letters after the grass height is 8". On the 1st and 15th of the month, the City will measure and place a door tag for any grass that is over 12". The following day the City will mow the property and bill the property owner. Below is the ordinance.

**SECTION 1. MOWING OF PROPERTIES.** Any property within the City of Griswold, whether vacated or non-vacated, is required to be mowed any time the vegetation reaches a height of more than 12 inches by the first (1<sup>st</sup>) and the fifteenth (15<sup>th</sup>) day of the month in April, May, June, July, August, September and October of each year.

**SECTION 2. PENTALTY.** The City of their agents may mow any property, which is not mowed by the dates, and a charge of \$75.00 per hour for such mowing, plus a surcharge of \$100.00, will be charged to the property owner. Any property owners who fail to mow their properties, thus allowing the same to be mowed by the City of their agents, and who do not provide payment for the mowing as required, will be assessed by the City for such costs, which will be collected in the same manner as general property taxes.

**SECTION 3. METHOD OF SERVICE AND BILLING.** Annual publication of the ordinance codified by this chapter will serve as notice to property owners. Any billings for mowing done by the City or their agents are to be sent by regular mail and are payable within 30 days of the billing date.
